

## Living Out *the* WORD

John Bailey, Sallie Bailey, Heidi Hudnut-Beumler, Susan Hassell, Patrick Ren, Terry Allen, Roy Alley, and Janet Kuhn worked at Oasis Center as volunteers during a FaithWorks community opportunity.

Learn more about Oasis Center and how you can volunteer during a Moment for Mission on May 30.

## Oasis Center Helps Youth In Our Community

Founded in 1969 as the "Rap House," a simple community center for teens in crisis, Oasis Center has steadily grown into one of Middle Tennessee's most comprehensive youth development agencies. For five decades, Oasis Center's increased capacity to serve at-risk youth has been built on the kindness and support of our community.

Each year, Oasis engages over 4,000 at-risk young people and their families across a broad spectrum of opportunities.

Crisis to Housing & Workforce Development programs and services support marginalized, vulnerable youth in gaining long-term safety, stability and self-sufficiency.

Youth Action, Advocacy, and Education programs occur both during and after school and are dedicated to empowering young people to be catalysts for social change and achieve personal and academic success.

## Sunday Services

As more people return to Sunday morning worship, the Security Committee would like to remind everyone to please use the Sanctuary doors facing West End Avenue when arriving for worship. For those desiring to use the elevator or restrooms, you may enter the building at the Mayfair entrance where a security volunteer will be present and happy to assist you. The Security Committee is looking for additional volunteers to help with security on Sunday mornings during worship at both services. For more information, please contact Scott Portis at [smporis@gmail.com](mailto:smporis@gmail.com).

May 2, 9, 16

### **Off the Page: Church Architecture as Theology** Led by Stephanie Downing.

In this four-week course, we'll explore what church architecture says about God and about what Christians have believed

and prioritized theologically across the centuries.

It will challenge us to think about the places where theology comes "off the page" and express itself in ways other than words.
