HOST groups are small groups of 12-20 men and women that meet monthly 8-10 times a year. Some groups are inter-generational, some are similarly aged.

These small groups experience fellowship around dinner followed by engaging faith reflection and discussion. These gatherings are designed to be casual, and are hosted in homes.

New HOST groups are being created for fall 2021, so please let us know if you would like join one or have questions.

Everyone is invited!
