

Travis joined Westminster in 2016 alongside his wife Krissie, who grew up attending the church and participating in its youth activities. The two were married at the church in 2013 and have experienced the baptism of their two boys – Parker (5) and William (3) – at Westminster as well. Travis is currently the Director of Reporting & Analytics at CareBridge Health, a healthcare company launched in early 2020 aimed at improving the lives of people receiving long-term care services in their homes. In the community, he is a regular volunteer at Preston Taylor Ministries and its Breakfast & Bible Study program.
