

Mary Prue Alley is a native Nashvillian where she graduated from Peabody College of Vanderbilt University and taught middle school math and algebra for 40 years. She was a member of St George's Episcopal Church until 1985 when she, husband Roy and sons Roy, Jim and Bill joined WPC. The boys were active in Sunday school, choir, youth group and basketball.

Mary Prue was an active volunteer for numerous philanthropic projects of the Junior League and Pi Beta Phi Alum Club, where she still works at Christmas Village. At WPC she has sung in the choir, played handbells, has tutored math at Preston Taylor Ministries and was a coleader of the ladies Covenant Group. Currently Mary Prue participates in Faith Works, the evening circle, Joy in Learning and is the Pickleball coordinator. A very bright spot for her is working with the Congregational Care Committee in calling and visiting church members who reside in senior living facilities.
