

Caroline Shockley

Caroline is a life-long Presbyterian and joined Westminster in 1996. She has served on the Session, chaired the Benevolence, Personnel and Westminster School for Young Children Committees. In addition, she has served on the Capital Campaign, taught Sunday School and volunteered with Room In the Inn. Currently Caroline serves on the Congregational Committee for Families with Young Children. One of the many joys Caroline cherishes at Westminster is the fellowship with her disciple group that just started their 18th year together!

Caroline and her husband Gary have two sons, Connor and Graham. In her time outside of church Caroline enjoys serving on the Community Foundation Women's Advisory Board and the West End Home Foundation Investment Committee.
