

## **Scott McClain Portis, Sr**

Scott grew up in Middle TN, moved to Nashville in 1980. His family is mostly from West TN: Huntingdon, Paris, Jackson, Memphis areas. He attended MBA, then Auburn, graduating in 1989 with a degree in computer engineering. In 2003, after 4 years consulting with Electronic Data Systems in Detroit and Atlanta, and 9 with HealthStream in Nashville, he started his own restaurant company and operates multiple Moe's Southwest Grill locations, because that just makes sense. Scott joined the church after moving back to Nashville, around 1994.

As of 2024, Scott has been married to multi-generation member Carol Len Frist Portis for 32 years, and has 3 children: Leah (27), McClain (24), and Crissa (19), who all grew up in and were baptized at Westminster. Scott has served on the session previously in the 20-teens, and has served as former member and chair of the Benevolence committee. He now serves as the chair of the Security committee, full of dedicated and giving church members who are all keeping us safe! I look forward to humbly serving at the behest of the church again, and to get to know you all better.
