

Jamie Capps

Jamie moved to Nashville in 2017 with husband Kent from Dallas. Jamie worked within the HR technology space throughout her career, most recently with Samsung Electronics. Kent and Jamie joined Westminster in the Fall of 2019 right before Covid hit. God still provided ways to connect. The Capps joined the Zoom Discipleship I class and met amazing people who helped them get involved. Kent and Jamie were introduced to Home Connection early on and it has been a meaningful way to give back for The Capps. Jamie began serving on the Home Connection board in January 2023. She also serves on the Congregational Care Committee. Jamie and Kent have two sons, Robert (2.5 yrs) and Brennan (7 mos). Robert currently attends Westminster School for Young Children. Jamie is involved in volunteer activities with the school. The Capps are excited to see their boys grow in the church and develop personal relationships with God. Jamie is also involved in various arts and cultural committees in Nashville.
