

SOS WITH JOY!

Jesus was born to spread joy, and you and your partner will get to spread some joy by making as many patterns of it as you can! Using the grid, take turns writing a J, O, or Y in a spot on the grid. If one of you makes a JOY sequence, you get to highlight or circle the spelled-out JOY and take another turn. The game ends when the paper is filled with JOY!

WORDS TO CARRY

Write down three words from today's service on joy that you will carry with you this week.

INTERACTIVE WORSHIP BULLETIN FOR ALL AGES

COLOR the CANDLES

We mark each week of Advent by lighting a candle. Color the number of Advent candles that were lit today.

DOODLE DRAW

A big way we live out the joy of Christmas is by sharing what we have. With a partner, create a drawing together of what the joy of sharing looks like!

- Player 1 starts by making a small drawing of one way you share with others.
- Player 2 continues by adding to the drawing in their own style.
- Keep taking turns—each player gets 20-30 seconds to draw something related.
- Try to build upon what the previous player drew and make it flow together. Keep going until you are both satisfied with the final result.

After worship, talk together about the picture you've created of sharing and how that illustrates joy!
