

## **Jennifer Corbett**

Jennifer Corbett grew up in Nashville and at Westminster where she was baptized, confirmed and active in Youth Group and Laudate. She attended Centre College in Kentucky before moving to New York City and then Austin, TX. She returned to Nashville in 2021 and rejoined Westminster where she has enjoyed once again being part of such a great community.

At Westminster, Jennifer serves through the Congregational Care Ministry and the Community Outreach Card Ministry, bakes for the WPC Café and attends Thursday Women's Bible Study. She has enjoyed the many learning opportunities that the church offers through Sunday School and Westminster Academy and she volunteers time as she is able through several of the organizations that WPC supports. She loves watching her mom Donna in the Westminster Choir where she has been singing since 1974!

Jennifer works from home for an NYC-based healthcare communications firm but is happy to get on a plane and travel anywhere in the world – including to Israel and Jordan with Westminster in 2023. She looks forward to serving on the WPC Session and getting to know more members of this awesome congregation.
