

## **Ward DeWitt**

I have been a part of Westminster since my first day. I was baptized at Westminster as an infant, received my Bible in the third grade, confirmed into the church in eighth grade, and have tried to remain faithful to Westminster ever since. Other than a few years in the late 70's and early 80's, I have been active at Westminster as a Sunday School participant, have been on many NaCoMe trips, mission trips, served as a Youth Advisor, worked with Habitat builds, and have served on the Session. I have heard approximately 2,200 wonderful sermons from our spiritual leaders-Drs. Currey, McGeahy, Hall, Ptomey, and Drake, plus from a myriad of Associate Pastors including my deceased father-in-law, Bob Richardson.

I married my wife Sydney Richardson DeWitt at Westminster in 1989. Our two children, Nathan and Ellen, were baptized and raised at Westminster.

I am currently serving as the Head of our Medical Lending Closet and I serve on the Security Committee. I love serving Christ through Westminster. Our church is truly a wonderful place through which to serve Christ, our community and our larger world.
