

Kirsten Crosby

Kirsten Crosby, her husband, Bruce and their four children, Tim, Sarah, Kaitlyn and Erin joined Westminster Presbyterian Church on Mother's Day in 2016. As a family, they enjoy worshipping together when their now adult children are home. As the children grew up, they enjoyed volunteering with Faith Works, Habitat for Humanity, The Home Connection and Preston Taylor Ministries. In addition, the children benefitted from going to Sunday School and on Mission Trips. More recently, Kirsten participated in Disciple Group for four years and especially enjoyed coordinating the Disciples' service projects including a WPC Women's Retreat and projects with area faith based organizations including: E.L.I.'s House, The Nextdoor, and Room in the Inn. One of Kirsten's favorite memories is teaching Sunday School for the Three Year Olds at WPC and seeing the young families participate in the life of the church.
