

Kelly Christie

Kelly and her husband, Bill, have been members of Westminster for more than twenty years, having first been drawn to the church by its music ministry. Kelly sings in the adult choir and plays handbells.

After retiring from a 25-year career as Assistant Dean of Student and Academic Affairs at Vanderbilt's Owen Graduate School of Management, she has continued her passion for mentoring young people through mission trips, youth conferences, and small-group leadership. Kelly serves as an elder and has been grateful for opportunities to serve on the Generosity, Benevolence, Music, Congregational Care, and Safety Committees. Her faith has been deepened through worship, Disciple classes, and her Westminster family. Outside of church, Kelly enjoys good books, long walks, sports and singing with several community choral ensembles.
