

Ned Munson

Members since 2015, Ned and his wife Cameron have 3 girls -- Charlotte (11), Margaret (7) and Frances (4) -- who were baptized at WPC and feel very 'at home' here thanks to the tremendous effort and gifts of our children's, youth, and music ministry leaders. We were attracted to Westminster by the beautiful music, the pairing of traditional worship with an open-minded congregation, and stellar, grace-filled preaching.

A transformational experience in Guy's Disciple program propelled Ned into a number of WPC roles, including serving on Session, leading the Young Families Class, beginning a 3rd confirmation mentorship this Fall, pinch-hit teaching for the 4th and 5th grade Sunday school class, and joining the Visioning Committee last year.
