CALLING ALL JOY IN LEARNING PAST & PRESENT PARTICIPANTS!

BRING ITEMS

Over the years many have asked if Joy in Learning participants could either donate their JIL items for a worthy cause or if anyone could "buy" their items with money going toward a cause.

We have worked hard to answer those questions and are happy to announce that we're doing both! **We invite our past and present JIL participants to donate some of the items they have made in JIL classes — whether they be pottery, painted, knitted, crocheted, sewed, etc. Items could have been made anytime since we started JIL!**

Bring your items to the JIL hallway or Westminister Café (open from 8 a.m. to Noon, Tuesday-Friday). Tables are set out for you to place your items. Please fill out one information card per item when you drop them off. **The deadline to bring items is Wednesday, Dec. 2.**

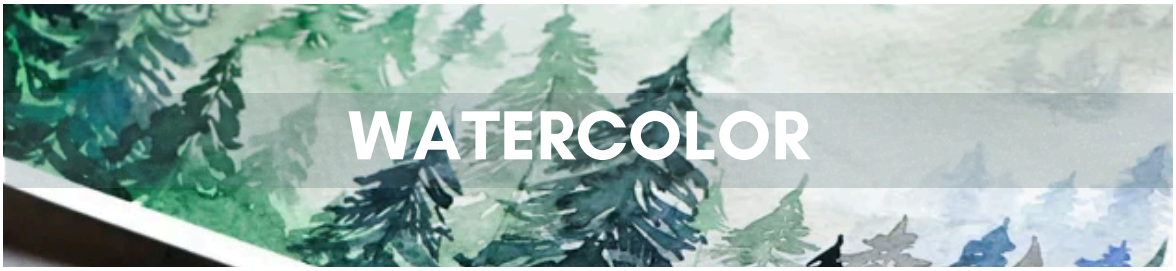

EVENT AND ITEMS FOR PURCHASE

Items will be available to "buy" at our **Christmas Music and Art Fundraiser on Friday, Dec. 4**. The fundraiser is open to ALL, not just those involved in Joy in Learning. Tickets are $10 per person. Net proceeds from the event – including "purchases" of JIL items – will benefit Home Together Nashville.

For more information, visit westminsterjoy.org or scan the QR code.

Not sure what to donate? Create a potholder! In the Westminster Café, open Tuesday-Friday from 8 a.m. - Noon.

STAINED GLASS SESSIONS

Lead Came Technique

Wednesday Evenings

January 6-February 10

4:15-7:00 p.m.

Copper Foil Technique

Wednesday Afternoons

January 6-February 10

1:00-3:45 p.m.

Instructors: Roger Maness & Ann Stevens.

The copper foil technique wraps each glass piece and then uses soldering. It's great for small pieces and multi-dimensional work. The lead foil technique, on the other hand, solders individual pieces of glass together only at the joints, using lead came. Most studios work primarily with this technique.

Finished pieces are suitable for hanging inside the window of a home to capture maximum light refraction and beauty. Both can be done by beginners and designs are provided.

Cost is $50 for the full 6 sessions
Limit: 10 students per session
